

Councilor Report: ACS National Meeting & Exposition

Abby O'Connor

Trenton ACS councilor, Abby O'Connor, traveled to San Francisco, CA for the Fall 2023 Hybrid ACS National Meeting & Exposition, held from August 13-17. The Councilor attended and participated in the hybrid council meeting on August 16, the in person Mid-Atlantic Regional Meeting (MARM) board meeting on August 15, the District III caucus on August 13, the ChemLuminary awards, and the closed Committee on Environment and Sustainability (CES) on August 12. The Trenton local section was nominated for a ChemLuminary award for their collaborative work between the local section and student chapters at Rider and TCNJ. Councilor O'Connor is an associate member of CES. At the CES meeting, Councilor O'Connor worked with the educational subcommittee on future initiatives coming from the committee including a symposium at a future ACS meeting that would feature green chemistry that is leading discovery in chemical industry. We are also working out the final details on a symposium to showcase work that colleges and universities are doing to teach green chemistry in light of recent changes to the CPT guidelines which now requires green chemistry for ACS degree certification. In addition, Councilor O'Connor volunteered to present the 2 CES ChemLuminary awards at the awards banquet. Although the Trenton local section did not receive a ChemLuminary award it was still a lot of fun to network with different volunteers from local sections around the country. People were impressed with our work at the MARM 2022.

The theme of the meeting focused on the "Harnessing the Power of Data". The keynote lectures focused on the use of Artificial Intelligence and how it could accelerate/aid chemical discovery. Attendees enjoyed technical sessions, social events, and governance activities. There were 14,876 registrations (13,226 in-person & 1650 virtual). There were more than 5000 first time attendees. Some new additions at the meeting included enhanced food options at socials, wellness rooms, and a highlight reel playing in the convention center. Moving forward ACS will be proposing major changes to the format of the spring and fall meetings.

At the meeting of the MARM board we reviewed the future MARM meetings including the final recap for the recent MARM sponsored by our local section. The nano-MARM held by the NY local section on June 9-10 at the graduate center at CUNY/St. John's was very successful and it sold out. 16 groups from around the region participated in the Chemagination competition. The inaugural Bill Suits service award will be given out at the next MARM. We discussed updates to the file sharing and archives. A new Google folder has been created to archive files for the MARM board. The 2024 MARM will be at Penn State from June 5-8. They are looking for volunteers to help out with planning. If you are interested contact Joe Houck. The MARM board approved a bid for the North Jersey local section to host MARM 2025 at Seton Hall. The MARM 2026 will likely be hosted by Lehigh Valley and Susquehanna at Hershey. Brian Gibney was elected to serve as chair-elect to the MARM board.

Councilor O'Connor attended the Council Meeting on Wednesday, August 16th. The meeting was conducted in a hybrid format. Most councilors were present in person. There will be a new councilor

reimbursement policy effective January 1, 2024. There will be a single payment of \$2000/councilor per meeting, to local sections and divisions that opt into the program. Non-councilor reimbursement oversight will move to the Committee on Committees. President Giordan had a special discussion for Councilors to provide input on key issues facing the Society as they pertained to diversity, equity and inclusion in ACS governance. The idea of term limits for councilors was proposed as a possible solution. The president also talked about the new virtual speaker service and charged each local section to use the service to host a local section meeting. Two important retirements will happen soon. Flint Lewis along with the VP for HR will retire over the next two years.

At the Council meeting, the council voted in favor of changing the composition of the board of directors to include 1 member from an international chapter. The board of directors were interested in keeping the composition of the board to 15 members. This change will replace 1 board of director at large position with an international district director. Given this is a change to the Constitution all ACS will have to vote to change this. Be on the lookout for this to vote soon. The Council voted 5 members to the Council Policy Committee, 5 members to Committee on Committees and 6 members to the Committee on Nominations and Elections.

The Council approved the petition to amend the Council Executive Function. This amendment removes the oral reporting requirement for non-elected committees. It is recommended that chairs of committees provide an oral report when necessary. The Council approved a petition to amend the duties of the Committee on International Activities. The amendment provides the committee the authority to assist struggling International Chapters when there are issues with finding officers or are having troubling reporting. The Council approved the creation of the Singapore International Chemical Sciences Chapter. Updated by-laws were certified for 6 local sections.

Respectfully submitted,

Abby O'Connor

Highlights from Reports and Key Actions

- Chief Executive Officer Albert Horvath honored the memory of our newly-appointed Editor-in-Chief of C&EN, Mohammed Yahia, who passed away on the way to the San Francisco meeting. Our thoughts go out to his wife Ola and their two young children.
- Horvath also shared ACS's efforts to engage more members while recruiting and retaining talented staff as we continue to adapt to the post-pandemic workplace. He shared an update on the ACS Strategic Initiatives and the Society's continued strong financial performance.
- On the recommendation of the Council Policy Committee, Council approved the Petition to Amend the Council Executive Function. This amendment codifies the current practice in the Standing Rules, removing the oral reporting requirement for non-elected Society Committees. CPC welcomes oral reports from all Society Committees including those without action before Council.
- CPC voted to discontinue the Councilor Travel Expense Program, effective December 31, 2023, and replace it with the Councilor Attendance Incentive Allotment, effective January 1, 2024. This new approach will provide a single payment of \$2,000 per Councilor, per meeting, directly to Local Sections and Divisions that opt in to the program.
- CPC also voted to move oversight for the Non-Councilor Reimbursement Program to the Committee on Committees with the recommendation that it be renamed the "Volunteer Committee Reimbursement Program."
- On the recommendation of the Committee on Committees, and with the concurrence of the Council Policy Committee, Council approved the Petition to Amend the Duties of the Committee on International Activities (IAC), providing the committee with the same authority permitted to its unit counterparts to assist International Chemical Sciences Chapters with issues arising from officer turnover and other administrative difficulties.
- On the recommendation of the Committee on Nominations and Elections, and with the concurrence of the Council Policy Committee, Council approved the Petition to Add International Representation to the Board of Directors, decreasing the total number of

Directors-at-Large from six to five and creating an International District Director. Following approval by the Board of Directors, the amendment to the ACS Constitution will require the support of two-thirds (2/3) majority of voting members.

- On the recommendation of the Committee on International Activities, Council approved the creation of the Singapore International Chemical Sciences Chapter.
- The Committee on Constitution and Bylaws (C&B) reported the certification of bylaws for six Local Sections in 2023: Cornell, East Tennessee, Idaho, Puerto Rico, Tennessee-Virginia Highlands, and Wooster.

Council Special Discussion

ACS President Judith Giordan introduced and led a special discussion on "ACS Council: Equitable Governance for the Future." She sought Councilor input on ideas to improve representation, broadly defined, on Council and across ACS governance.

Three specific prompts were posed to Councilors for their input and suggestions:

1. Ideally, for ACS Council to *equitably represent all members* we would...
2. The key areas where we need to ensure *greater equity and inclusion in Council* are...
3. I wish ACS Council would/could... ..to engender greater equity and inclusion.

Councilors provided their ideas and thoughts, and relevant Society units will receive this input within the next several weeks. Please share further input with secretary@acs.org.

Resolutions

The Council passed several resolutions:

- In memory of deceased Past President Ned D. Heindel
- In memory of deceased Past President Paul H.L. Walter
- In memory of deceased Councilors
- In appreciation of the California and Silicon Valley Sections, host Sections for the fall 2023 ACS meeting, the Divisional program chairs, symposium organizers, and ACS staff for the planning and execution of the meeting
- In appreciation of the outgoing Chair of Council, Judith C. Giordan

The fall 2023 meeting was held from August 13-17. As of August 16, there were 15,019 registrations (13,363 in-person and 1,656 online).

Actions of the Board of Directors - Executive Session

The ACS Board of Directors met in Executive Session on August 11-12, 2023, in San Francisco, California, considered several key strategic issues, and responded with numerous actions. They opened the session with a reflection on Diversity, Equity, Inclusion, and Respect (DEIR).

Chief Executive Officer's Report

Chief Executive Officer Albert Horvath reported on issues relating to ACS strategic activities; enterprise risk management (ERM); environmental, social, and governance (ESG); an Orlando 2028 meeting update; and ACS's web presence.

Board Committees and Working Groups

The Board of Directors received and discussed reports from the Governing Board for Publishing, the Board Committee on Professional and Member Relations, the Society Committee on Publications, the Committee on Budget & Finance, the Committee on Committees, the Board Working Group on Structure and Representation, and the Council Policy Committee Future Council Representation Task Force. Some of these committees requested and obtained Board action on one or more items, as follows:

- Upon recommendation of the Society Committee on Publications, the Board voted to approve the reappointment of six ACS journal editors. The reappointments will be announced once the individuals have been notified and appropriate arrangements for their continued service have been made.
- Upon recommendation of the Editor Search Committees, the Board voted to approve the appointment of three ACS Journal editors. The appointments will also be announced once the individuals have been notified and appropriate arrangements for their continued service have been made.
- Upon recommendation of the Committee on Professional and Member Relations, the Board approved the ACS Prism Award to recognize a public figure or prominent leader in their field who has a background in chemistry but is working in a different field or is not a practicing chemist.
- Upon recommendation of the Committee on Professional and Member Relations, the Board approved an ACS nominee for the 2024 Perkin Medal, an award given annually by the Society of Chemical Industry to a scientist residing in the United States for an "innovation in applied chemistry resulting in outstanding commercial development."
- The Board Working Group on Structure and Representation provided an update on their efforts to add an International District Director to the Board of Directors in the form of the Petition to Add International Representation on the Board of Directors. The Board unanimously supported the petition, which would amend the ACS Constitution and Standing Rules.

Other Society Business

There were two additional discussions; one focused on raising items of strategic concern from members of the Board, and the second was dedicated to sharing feedback so Board members can hear from ACS members, elevating their voices to all Board members.

Finally, the Board adopted a resolution in memory of ACS Past President Ned D. Heindel.
